Letter No Ag. 1781/42 & 6-9-43 from the ml Comm, Bcast furnishing the information -

6 Noted for perusal

6 From the letter of the ml Comm it is seen that durable articles are being carried in Military lorries

7. The durable articles conveyed in Military lorries as reported by the ml Comm are such as tobacco, cigars clothes etc, belonging to the private people

8 Noted with reference to para 3 supra

14/9/43 9. It will be seen from the enclosure to the ML Comm's letter dated 6th Sept 1943 that the Sri Rama Vilas Service Ltd have made arrangements with the military authorities for transporting civilian goods in military lorries, which arrive once a week from Madras & Trichinopoly alternately and that the company have suggested to the ML Comm, Bcast to station an Inspector & a peon in their office to check the receipt of such goods the Company have agreed to meet the establishment expenses. The articles so far reported appear to be tobacco & cigars and in one

Cesse — horseshoe nails In all these cases, only export passes are said to be required

10 In this case, the Mil Cant, alone city suggests that the Mulsby lorries in which dutiable articles are carried imported into the city and limits may be made to stop at the Octroi & pay the octroi duty due on the articles they carry. It might perhaps cause inconvenience to the mulsby lorries if they are asked to stop at the octroi and it may also be difficult for the Octroi staff to manage the work especially the Mulsby lorry drivers Hence the arrangement suggested by the Company to post an inspector to pass at the office of the Company to check the goods received may perhaps be tried for a time These will be the servants of the Mills & who will meet their pay on the first instance and recover it from the Company later on

11 It is also for consideration whether it may not be brought to the notice of the Residency that Mulsby lorries have been reported to be carrying goods other than those belonging to the Govt of India and that arrangement may be made
